

## **We are going to have an incredible time at camp!**

We'll do fun things like trail rides, hikes, games, campfires, etc., and we'll also learn some amazing stuff as we are having a ton of fun! If you have any questions or concerns between now and when we head off to camp, please call/text or reply to this email.

### **PACKING INSTRUCTIONS**

Things To Bring:

- Your Bible (if you have one)
- Clothing for the week (recommend 6 days in case something gets dirty)...**Be sure to bring pants and a jacket!!**

PLEASE NOTE: Some activities will be at an elevation of almost 10,000'. While daytimes will likely be very warm, nighttime temperatures may be cool.

- Toiletries (toothbrush, toothpaste, deodorant)
- Towel
- Swim suit/swim-clothes (Girls: 1-piece/conservative or shorts/sports bra & t-shirt, please)
- Water socks/shoes (if available)
- Shoes with closed toes (e.g. boots, sneakers. Sliders and sandals won't cut it when we are playing games, riding horses, and hiking! Don't wear your best shoes...they WILL get dirty.)
- Sleeping bag and pillow (if you can...we'll provide bedding if you don't have any to bring!)
- Any required personal medications

If there is anything you are missing from this list, let us know -- we want to make sure you have everything you need.

Things **NOT** To Bring:

- Snacks or drinks (We'll feed you well!)
- Knives or other weapons
- Any illegal substances
- Money or valuables

**Important Note:** Phones or other electronic devices are best left at home so they don't get lost/damaged. If you do bring these things, we'll turn them off and collect them when we leave Las Vegas and keep them safe for you until you are on the way back home.

### **SPECIAL NOTE FOR PARENTS/GUARDIANS:**

While your child is at camp, we'd love for you to follow what is going on with your child at camp via Facebook and/or Instagram – we update these daily so you can see that your camper is having a great experience. We highly discourage asking for phone calls during the week. It is not uncommon for a camper who calls home to become extremely homesick, occasionally to the point that they have to be picked up from camp. We promise we will take great care of your children!! Of course, if anything comes up during the week where you need to make contact, you can call us.
