a word from our founder

Dear Friends of Henry's Place,

Henry and I shared a dream—to create a place where at-risk youth could experience the hope, purpose, and love of Christ through the power of camp. Though Henry didn't live to see it come to life, that dream became a reality with Henry's Place. Since our first camp in 2016, we have remained steadfast in our commitment to providing free, life-changing Christian summer camp experiences for kids who need it most. Time and time again, we've seen how just one week of camp can transform a child's life.

As we look to the future, we want to ensure this ministry continues for generations to come. That's why we are launching the Henry's Place Sustainability Campaign—an initiative focused on securing the future of our camp by retiring the remaining \$450,000 in debt on our lodge.

The first portion of the funds raised at our annual Country Jamboree will go toward camp operations in 2026, ensuring every camper continues to attend at no cost to their families. The remainder will be dedicated to eliminating our only outstanding debt of \$450,000 on our incredible \$3.8 million facility. By lifting this financial burden, we will strengthen our ability to serve more youth from Las Vegas and Southern Utah for years to come.

I invite you to partner with us in this mission by joining at one of our sustainability levels. Your support will not only provide a life-changing camp experience for children in need but will also help establish a firm foundation for the future of Henry's Place.

Thank you for considering this opportunity to invest in young lives. If you have any questions or would like to discuss how you can be part of this legacy, I would love to connect with you.

With appreciation,

***Dawn Prendes Morris*—Founder Henry's Place**
